Founders Night

Founders Night was held on October 19th, 2017 as the Kitimat Gyro's and Gyro Ladies celebrated the founders of Gyro.

Gyro International is a non-profit social, service, and fraternal club for men located in the United States and Canada.

Gyro was founded by Paul Schwan, Clarence (Gus) Handerson and Edmund (Ed) Kagy as three college friends who decided to found their friendship in April 1912 in Cleveland, Ohio.

The primary purpose of the club is the promotion of fun and friendship amongst men of all nations.

The first formal meeting was held on June 24, 1912, during which a constitution was presented and accepted, even though the club had no official name at the time.

On January 7, 1913 the name Gyro (suggested by new member Jimmie Hubbell) was adopted. It was drawn from the word gyroscope, symbolizing the ability to maintain a desired course and attitude regardless of outside influences.

The Gyroscopic principle is controlled by power, pose and balance and from this principle comes the Gyro key words:

Power: The power of friendship in our relationship.

Poise: The steadiness of friendship in times of trial.

Purpose: Keeping the balance wheel of friendship forever active in our daily lives.
